IMMOBILIEN IN DEUTSCHLAND
AKTIENGESELLSCHAFT

[id] Immobilien in Deutschland Aktiengesellschaft increases its staff. With effect from November 1st, 2008 Nils Klink is responsible for the company's facility management. Klink looks back on activities in different property companies inter alia PATRIZIA Immobilien AG and IVG Immobilien AG. Hence, [id] AG adapts with its increased real estate portfolio.

For this year further acquisitions are planned and currently scrutinized. Manfred Koch managing director of [id] AG anticipates good results for financial year 2008 that will be comparable to 2007.

[id] Immobilien in Deutschland Aktiengesellschaft is a medium size real estate company with a medium and long term investment strategy and invests in profitable commercial and residential property in Germany.

More information is available on the company's website www.id-ag.com.
